

# WHAT SMALL BUSINESS OWNERS CAN EXPECT FROM TYMEBANK BUSINESS BANKING

## Flexible, turnover-based funding

Express funding obtainable in a few minutes via an easy three-step online application process.

## EveryDay Business Account

A transactional business account that can be opened in under five minutes.

- Zero monthly bank fees
- Free debit card and online purchase transactions
- Free bulk payments

The EveryDay Business account is linked to your personal account profile, making it easy to see which money is yours and which money belongs to your business. It's a smart way for VAT and non-VAT registered sole traders to bank.

## TymePOS

by TymeBank

A mobile Point-of-Sale Payment System that processes payment transactions via an NFC enabled Android cellphone (iOS coming soon).

- Approved by Visa & MasterCard
- Fastest settlement period
- Most cost-effective solution on the market

## SellOnSocial

by TymeBank

Coming soon, a free e-commerce service that takes care of all the admin processes involved in selling on social media.

Order processing, delivery services and more.

## TymeTrybe

A digital platform where members can connect, share and learn from each other.

- Accredited business courses
- Currently in pilot phase
- Form part of a connected business community
- Access to e-commerce sites, accounting software, inventory management tools etc.
